Travel Alert issued for northwestern North Dakota

The North Dakota Department of Transportation (NDDOT) and the North Dakota Highway Patrol have issued a **Travel Alert** for northwestern North Dakota due to low visibility with compacted snow and ice creating slippery roads. The Travel Alert includes Williston, Watford City, Stanley, Bowbells, Crosby and surrounding areas.

A **Travel Alert** means conditions are such that **motorists can still travel** in these areas, but should be advised of rapidly changing conditions. Motorists are encouraged to reduce speeds and drive according to the conditions.

All travelers are encouraged to monitor road conditions as weather conditions occur and use caution while traveling. For road information, call 511 from any type of phone or go to the website: www.dot.nd.gov.
